

Bringing Freedom to Parenting

The Work of Byron Katie

with Rosie Stave

July 15th & 16th 9.30am – 5.00 pm

The Garden Studio, Ocean Grove

Question your thinking and change your life.

Are you caught in the parent trap? "It's all too much; I don't know what to do; he/she doesn't appreciate me; the world's not safe." **Thoughts like these may run through our minds, fostering fear, anger, struggle, stress. How different would your life be if these thoughts never bothered you again?**

The Work is a way to bring us to clarity, freedom and ease in all our relationships and with life. It is a process that clears the mind. It is a way to identify and question the thoughts that cause all the suffering and violence in the world. The Work is simply four questions and a turnaround, which is a way of experiencing the opposite of what you believe.

It is so simple that anyone with an open mind can do it. This process works and it is radical and life-changing.

Come experience the power of The Work as you gain freedom in your parenting.
