

The Work of Byron Katie

"Ending the War with Yourself"

Facilitated by Rosie Stave

Saturday 24th & Sunday 25th November 2018

Question your thinking and change your life.

"I need more money; I'm too fat; I have to get it right; I don't know what to do; something is wrong with me." Thoughts like these may constantly run through our minds, fostering fear, anger, struggle, stress, loneliness and depression. How different would your life be if these thoughts never bothered you again? No longer do we need to argue with life or ourselves...
